Week Beg.															Week Beg.															Week Beg.															Week Beg.															Week Beg.															Week Beg.															Week Beg.														
Learning about string instruments.															Learning about the Off-beat.															Learning about the layering technique.															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles OR Component 2: Music Skills Development																													
Learning about brass instruments.															Learning to play using chord diagrams.															Learning about metaphorosis.															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles															Component 2: Music Skills Development																													
Learning about woodwind instruments.															Learning about syncopated bass lines.															Learning about phase shifting.															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles															Component 2: Music Skills Development																													
Learning about percussion instruments.															Learning to maintain a chord progression.															Learning about note addition and note															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles															Component 2: Music Skills Development																													
Learning about note durations.															Learning about ostinati and cyclic rhythms.															Learning to compose a piece of															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles															Component 2: Music Skills Development																													
Learning about Time Signatures															Learning about Polyrhythms.															Learning to develop initial compositional ideas.															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles															Component 2: Music Skills Development																													
Learning about Major Scale															Learning to compose using compositional devices.															Learning about typical pop song-structure.															Component 1: Exploring Musical Products and Styles															Component 1: Exploring Musical Products and Styles															Component 2: Music Skills Development																													
Assessment Lesson															Assessment Lesson															Assessment Lesson															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
See 15/12															Learning about DAW and the Piano Roll.															See 12/1															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning about the F Major Key Signature															Learning to compose using the piano roll.															Learning to sequence a repetitive riff.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
See 09/02															See 09/03															See 09/03															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning about the 3/4 Time Signature															Learning the role of the Primary Chords in Rock 'n Roll Music.															Learning to sequence multiple layers.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning about the Pentatonic Scale.															Learning about arpeggios.															Learning to sequence an improvised guitar solo with SFX.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning about bass lines.															Learning about the walking bass.															Learning about leitmotifs.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
See 30/03															See 30/03															See 30/03															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning to compose using the Pentatonic															Learning about the C Blues Scale.															Learning about the importance of an underscore.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning about Chords and Triads															Learning about improvisation.															Learning about Foley and it's role in Film music.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Assessment Lesson															Assessment Lesson															Assessment Lesson															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning to maintain a chord progression.															Learning to use the MIDI controller.															Developing a composed underscore.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Learning to link basslines and chords.															Learning to multitrack using the MIDI															Developing a composed underscore.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
Developing Ensemble Skills															Developing Music Technology Skills.															Compositional skills.															Component 2: Music Skills Development															Component 2: Music Skills Development															Component 2: Music Skills Development																													
CEW Week															CEW Week															CEW Week															Wex															GCSE Exams															GCSE Exams
