

# Student Newsletter

Welcome to the first Penrice Student Newsletter! This newsletter was created by me, Erin (Media & Communications Minister) and will bring students the latest updates, events and stories within our school community. If anyone has any suggestions or requests regarding this newsletter then please contact me, my email is on the back page. I hope you find this useful and enjoy reading it as much as I enjoyed putting it together.

**REUBEN**

Secretary of State – Year 10

**ELLIE**

Secretary of State – Year 7

**EVELYN**

Secretary of State – Year 8

**AMALEEN**

Inclusion Minister

**JOSH**

Environment Minister

**JAZMIN**

Student Wellbeing Minister

**MAITILDA**

Arts Minister

**ERIN**

Media & Communications Minister

This past term, we have started up the first Penrice Parliament which allows students to voice their opinions. We currently have nine Senior MPs:

Ellie (7NK) Secretary of State for Year 7, Evelyn (8MR) Secretary of State for Year 8, Roxy (9CA) Secretary of State for Year 9, Reuben (10NH) Secretary of State for Year 10, Erin (10LS) Media & Communications Minister, Maitilda (10SA) Arts Minister, Josh (9ZG) Environment Minister, Amaleen (10NH) Inclusion Minister, Jazmin (9AH) Student Wellbeing Minister.

These Senior MPs went through an application and interview process before being successfully appointed. Each MP is here to listen and feedback any concerns or praise that their peers may have. Penrice Parliament is a great way to effectively communicate the thoughts and opinions of students.

Respect

Success

# Sports

Congratulations to the Year 10 Boys Football team beat Truro School 7-0 in the final of the U15 County Cup. Fingers crossed for our Year 7 Boys Football team who also play in their cup final later this week!

All year groups have competed in their Sevens Festivals recently, the Year 8 team reached the semi final and were narrowly defeated. The Year 8 Boys team have had a fantastic year having also finished in the top four schools in the County in the 13 a side competition at Penrice in October.

Five of our Indoor Cricket teams have reached the County Finals which have taken place at the Cornwall Cricket Centre over the duration of the last half term. Both Year 7 Boys and Girls, Year 8 Boys and Girls and Year 10 Boys have all qualified and performed really well when competing against the best Cricket players from across the County.

The Year 7 Girls Netball team qualified for the U12 County finals having finished second in the qualifying East section. The County finals at Truro School took place on Wednesday 26<sup>th</sup> March and the girls performed admirably and over the day won 5 matches, drew 1 match and lost twice.

# School Production: Rock Of Ages

At the end of last term, the performance of our school production 'Rock Of Ages' took place. It showcased the exceptional acting skills and powerful vocals of the students, the creative, retro set design and the striking costumes. Captivated from start to finish, the audience were transported back to the Rockin' Eighties by our talented cast and crew. The dedication and hard work of both students and staff members were evident, ensuring that all performances were nights filled with nostalgia, laughter and incredible talent.

# Y10 & Y11 Exams

Both Year 10 & Year 11 have upcoming important exams this term, the Year 10s will be sitting their first set of PPEs and the Year 11s will be/have been sitting their actual GCSEs. Good luck to both year groups, you'll do great!

## Year 10 Child Development College Trip

## World Book Day - Door Decorating
