# Year 7

## The Year Ahead

Dan Round  
Assistant Headteacher

As we approach the start of the next academic year, we wanted to share some key information with our school community. This document contains important information for parents/carers as well as students about the return to school process. We would encourage all members of our community to read the information contained carefully to get ready for an exciting year ahead at Penrice Academy. **There are year group specific versions.**

We hope that all our students had a great summer holiday and are looking forward to their return. There are lots of fantastic opportunities for our students to look out for in the year ahead.

Our 'The Year Ahead' publication contains all the following:

- Key Dates
- The First Day Back Arrangements
- 24/25 Tutor Groups
- Uniform Reminders
- Equipment Reminders
- Communication with Parents/Carers
- Penrice Plus Sign-up
- Attendance Reminders
- Support and Screening
- Policy Updates
- Ready for September Checklist
- GCSE Results News - Exceptional Achievements

There will be more information about the upcoming term as we go through the first couple of weeks. This will have lots of information about what your child will learn and all the things they have to look forward to, so keep an eye out for it in the coming weeks.

## Supporting our Year 7s to have a successful start at Penrice

The transition from primary school to secondary school is an important time and can bring with it feelings of excitement but also anxiety as students, and parents, move from a familiar setting to one that is unfamiliar. There are many measures put in place throughout the transition process to support all students such as helping them with getting to know the physical school building, meeting new classmates and teachers, and learning the school routines.

### **Escorting to Lessons - First Timetable Cycle**

At the start of each lesson, Year 7 students will assemble in their yard. Students will have letters on their timetables indicating which line they should join. They will then be supported in learning their way around the school site as they are taken to their lessons by their teachers. This means that every student will be escorted to every lesson and should feel confident in finding their way to their classrooms by the third week of term (23rd September).

### **Learning about our expectations**

To support students in developing the positive, safe, learning culture we enjoy here at Penrice, we will begin the term for Year 7 students with a focus on praising students for displaying the positive behaviours we expect. Students will be recognised with merits, praise postcards and other rewards, all linked to our school values of pride, respect and success.

All students will be given a Successful 7s Challenge Card, with a variety of activities to complete during their first weeks, including: getting their first merit, signing up to a Penrice Plus activity, demonstrating positive learning habits and many more.

To support Year 7 students learning our behaviour policy they will not receive any negative behaviour points until Monday 15th September. From **Thursday 4th September until Friday 12th September**, instead of recording negative behaviour points, staff will take time to explain how and why certain behaviours may not meet our values and expectations and will explain the consequences that will be put in place if the same choices were made after Monday 16th September. It is important to note that this does not apply to any serious negative behaviour that puts the student, other students or staff at risk and prevents the calm, orderly culture of the school. If this were to occur, appropriate actions would be taken in line with normal school policy.

We are really excited to meet our new Year 7s on their first full day at Penrice, on the next page is some more information about that day.

# Year 7 - The First Day

Here are some common questions Year 7 Students have about their first day and the answers to them...

## Where do I go when I arrive?

You will go to the Year 7 Yard. Student Leaders and teachers will then take you to your tutor room.

You can arrive through the front or side gate. Staff will show you the way.

## What lessons will I have?

All students will receive their timetables with their lessons on during tutor time.

On their first two days, Year 7's will have a range of tutor and year group activities before normal lessons **start on Monday 8<sup>th</sup> September**

## Do I need to bring my PE Kit?

No, you don't have PE on the first day. Student's timetables will detail when student's need to bring in their PE kits.

## Where can I be picked up?

At the end of the day, **the front car park is closed** to allow all of the buses to wait. If you need to be picked up, **arrange to meet your parents somewhere away from the school site.**

## Will I get any homework?

No, you won't receive any homework in your first week at Penrice. This will allow us time to get all students logged into their school accounts to access homework.

## Funded Lunch on the First Day

Our catering partner will **provide a funded lunch** from the canteen to **every Year 7 student that wants one** on their first day at Penrice **on Thursday 4<sup>th</sup> September**. This is to give the Year 7s a chance to see what is available at the canteen and experience the process of using the canteen on their first day, with the support of Year 11.

Students will have several choices for their lunch. Dietary requirements known to us from the data capture will be catered for. As long as money has been added to their account online or using the cash machine in the canteen, Year 7 will be **able to purchase items** from the canteen **from their second day**.

**Year 7 students won't be able to purchase items** from the canteen on day 1, they should bring a drink and snack for morning break with them.

After Thursday, students will need to **have money on their Parent Pay account** to purchase food from the canteen

# Pre-Loved

*Sell • Swap • Save the Planet*

Parents/carers can buy pre-owned uniform via Penrice Pre-Loved. Penrice Pre-Loved is all about giving old uniform and school equipment a new home, re-using perfectly good items and reducing carbon footprint together.

Penrice Pre-Loved is available in the following locations:

- Our in-school Uniform Store (in CS4).
- Online, via a Facebook Marketplace page.

The key difference between the Pre-Loved Uniform Store and the Facebook Marketplace page is that there will be no financial transactions in the Uniform Store.

The Uniform Store will only accept swapping items and donations/drop-offs\*, whilst also providing free uniform support to those who need it.

*\*The Pre-Loved Uniform Store undoubtedly relies on the continued generosity of the Penrice community. Any donations will be gratefully accepted. Please ensure that uniform donations are cleaned and dry before drop off at the school gates.*

# Parental Communication

Y7

We have a number of mechanisms to communicate with parents and carers.

## ClassCharts- Parent App

Parents can view their child's attendance, merits and behaviour points. Any detentions a child has will be recorded through Class Charts. Homework will also be set on Class Charts.

## Parent Updates

Our parent updates share key information about the school. They are emailed out or shared via School Gateway.

## School Gateway - Parent App

This is the platform we use to send communications to parents.

## The Term Ahead

What will your child learn this term? What exciting opportunities are coming up? The term ahead has all the information.

## Parent Forums

During the course of the academic year we will continue hold parent forums to allow us to work closely with parents to discuss and share ideas. Our first parent forum will focus on Year 7 Transition and will be on:

**Thursday 7th November**

## School Surveys

NEW

This year we are launching a new snapshot survey platform to take regular quick feedback on various aspects of the school from parents. They will only take a minute to complete.

## Year 7 Events

### Parent Information Evening

In-person evening to help parents of new Year 7 students get started at Penrice.

### Meet the Tutor Evening

Meet with your child's tutor to discuss their start at Penrice.

### Progress Evening

Meet with your child's subject teachers to review their progress across the year, before they move into Year 8.

Parents can email queries at any time to the relevant member of staff or [penriceenquiries@penrice.celtrust.org](mailto:penriceenquiries@penrice.celtrust.org)

# Student Support

## The Student and Family Centre (SFC)

The Student and Family Centre is part of our Pastoral Support at Penrice Academy. We recognise that for some students, school is not always an easy experience and they may need extra support from our caring staff within the SFC. If a student needs help with making the transition back to school they can always visit the SFC for some additional help. Please email Kirstin Hooper (Student Support Team Leader) [khooper@penrice.celtrust.org](mailto:khooper@penrice.celtrust.org)

## Are you ok?

If you are worried about something that affects you, or a friend, or your child please use our 'Are you ok?' online form to let our specialist team know.

[penriceacademy.org/ok](http://penriceacademy.org/ok)

## Meet and Greet

**Any student** can grab something to eat in the morning before school!

Starts **from Monday 8th September**

We run our Meet and Greet every school morning as you enter through reception where students can collect a breakfast bar and piece of fruit to start the day.

There is no sign up - students can just turn up and grab something in the mornings.

## Screening Tests

Claire Gurd

Deputy Headteacher

At Penrice, we value reading and recognise how reading is of paramount importance, enabling success in all aspects of education and life beyond school. To help support our programme of reading interventions and to enable our teachers to target reading support, we will be conducting screening tests of all our Year 7 students early in the academic year. These tests will allow us to produce an accurate reading age for your child. We will then identify if they require any additional support, to guarantee that every child leaves our school reading fluently and with accuracy. The screening tests will also help us to identify if your child may require additional SEND support or access arrangements for other assessments as they progress through the school.

The tests will take place during the first two weeks of the academic year, during lesson time. Students will be extracted from their lessons in groups to complete the online New Group Reading Tests (NGRT).

The screening test will be accessed using a computer and will last approximately 45 minutes. Please can you reassure your child about the screening and discuss with them the importance of completing the test to the best of their ability so we can calculate an accurate reading age.

If you have any questions about the screening tests, please get in touch.

# Attendance

At Penrice Academy we recognise the importance of regular and punctual school attendance. We routinely monitor attendance to ensure that all students understand the importance of attendance and feel supported to develop excellent attendance habits. We also love to celebrate excellent attendance through weekly merits, attendance raffles and during celebration assemblies just to name a few.

We do however understand that at times, students are unwell and absence is unavoidable. In this case, we ask that parents/carers contact the school with a reason for absence. In addition, we know that at times, some students struggle to attend school. At Penrice Academy, we pride ourselves on our pastoral care and we will do all we can to remove any barriers that students may have which stops them attending daily whilst ensuring they feel fully supported. If you feel we could do anything more to support your child, please contact the Academy.

To further encourage and support positive attendance, we will continue to conduct home visits to households where a student is absent for a period of time and we have received no contact from parents/carers to confirm a reason for their absence.

Should you have any questions or concerns regarding this, in the first instance please contact our Attendance Officer, [blane@penrice.celtrust.org](mailto:blane@penrice.celtrust.org).

Students who attend school at least 96% of time achieve a grade higher (on average) in every subject they study for GCSE, compared to students with attendance below 90%

A recent study has shown that if a child is absent for one of the first days of the new term, for unauthorised reasons, they are much more likely to miss long periods of their schooling compared to their peers who attended those first days. These children had a predicted overall absence of almost 45%. This shows just how important it is that children are at school, ready to learn, in the first days of the September term. We will be holding a 'Day 1 Attendance Prize Draw' on each year groups first day. There will be a range of great prizes up for grabs. All students need to do to be eligible is be in on the first day! There will be more rewards to look forward to throughout the first few weeks back.

**Lots of prizes to be won throughout the school year.**

## Policy Updates

Each year, Penrice conducts a review of all uniform, behaviour and expectations policies. We would encourage all parents to familiarise themselves with our updated policies for the 2024/25 Academic Year.

# SEND Support

At Penrice we welcome everyone into our community. Penrice endeavours to make available inclusive provision to ensure that all pupils, including those pupils identified with Special Educational Needs and Disabilities (SEND), can enjoy and benefit from a broad and balanced education with access to the National Curriculum at an appropriate level, so that they may achieve their full potential.

All children and young people are entitled to an education that enables them to make progress so that they:

- Achieve their best
- Become confident individuals living fulfilling lives
- Make a successful transition into adulthood, whether into employment, further or higher education or training.

As a team, our aim is to manage the provision made for students with SEND and ensure the best support and interventions are put in place to enable students with SEND to make good progress whilst at Penrice Academy. Students with Special Educational Needs are given every opportunity to function successfully in both the learning and social environments of the school. We work together as a team and with the rest of the school to provide support and additional help for students where necessary.

We offer a range of strategies, programmes and activities to support students who may find aspects of learning more challenging. The views of parents and carers are very important to us and we are keen to continue to develop home school partnerships to support our young people with SEND at Penrice Academy. By working together we aim to make your child's experience of school a positive one, where they will flourish both pastorally and through exam success.

Alongside the in-class support we offer specialist centre support as follows;

- The Learning Pathways Centre is our Key Stage 3 SEND base. This centre offers targeted support for identified students, including bespoke lessons, EHCP interventions, literacy and numeracy support, 1:1 SEND support and supported social times.
- The Future Pathways Centre is our Key Stage 4 SEND base. This space provides tailored support, including alternative qualifications, bespoke lessons, overlearning opportunities for core subjects and a supportive base for students who may be finding it difficult to access a full timetable.

# Exceptional Success for our Students in their GCSE Results

Among the many highlights of this year's results:

- Maths: 80% of students achieved a Grade 4 (Standard Pass) or higher. Over 25% of students achieved Grade 7 or higher.
- English: English matched the success of maths with 80% of students achieving a Grade 4 (Standard Pass) or higher and over 25% of students achieving Grade 7 or higher.
- Science: 86% of students achieved at least one Grade 4 in science (across combined and triple). 32% of students achieved at least one Grade 7 in science.
- PE Excellence: 46% of students achieved a Grade 7 or higher in PE, with an incredible 100% achieving at least a Grade 4. Sports Science students also impressed with an average grade of 6.
- Languages Growth: French saw remarkable growth, with the number of students achieving Grade 5 or higher doubling compared to last year.
- Creative Arts Achievement: In Drama, 57% of students achieved either a Level 2 Distinction or the top-level Distinction\* grade – the two highest possible scores.
- Child Development: Excellent results with one student receiving a special commendation from the exam board for being one of the highest scoring students nationally.

**Lily**  
Hard work really does pay off!

“I did better than I thought I would. Securing a Grade 5 in English Language really surprised me – my teacher [Mrs Yeo] has been amazing. All of the teachers and staff have been absolutely incredible. A special shout out to Mrs Hatch who has also been extremely helpful.”
