Made by: Erin (11TD) Media &  
Communications Minister

Welcome back everyone to a new school year! I hope you've had a lovely summer and are ready for the term ahead. A special welcome goes to the new Year 7s who have joined our school - we all hope you enjoy everything Penrice has to offer. I wish everyone a successful start to the year and look forward to seeing the progress and achievements that will take place over the coming months.

A huge congratulations to our previous Year 11 students for their incredible GCSE results! For maths and English, 80% of students achieved a Grade 4 or higher and in science 86% of students achieved at least one grade 4 in science. These are amazing achievements that reflect the outstanding efforts and commitment of the students.

I also want to recognise the hard work of last year's Year 10 students who completed their mock GCSEs and are now stepping into their final and most important year. Best of luck!

Pride

Respect

Success

# Year 11 Prom

The Year 11 Prom was a fantastic, unforgettable night, celebrating the hard work and achievements of the students as they concluded their time at school. With the classic tradition of ballroom dancing, beautiful dresses, sharp suits, and a celebratory atmosphere, the event was enjoyed by all and reflected the pride and success of the year group.

# DofE

A big well done to all the students who took part in the Duke of Edinburgh Award over the last year, showing dedication and resilience throughout the programme. The students worked incredibly hard across the volunteering, skills and physical activity sections of the award, before finishing it off with their expedition.

# Sports Day 2025

This year's Sports Day was a fantastic success, with students from all year groups taking part in a wide range of events. There was an excellent display of talent, determination, and team spirit throughout the day. The persistence on the track, the enthusiasm in the field events, and the energy from the cheering crowd made it a day to remember. A well deserved congratulations to Carlyon Bay who were the overall winning beach house.

# CEW 2025

CEW week was packed with excitement, as students took part in a huge range of trips and activities. Students were off in all directions - abroad to France or sunny Barcelona, London for some sightseeing and culture, or out on local trips and activities. It was a brilliant way to finish the year, leaving students with fun, lasting memories.

# Zanzibar 2025

A group of last year's Year 10 students had the amazing opportunity to travel to Zanzibar in July for a once-in-a-lifetime trip filled with unforgettable experiences. During their time there, students engaged in voluntary work in teaching, dancing, singing and playing games with children from Al-Kwihan school. It was a brilliant, enriching adventure that built friendships across cultures and memories that will last a lifetime.

Want to get involved? Join the Student Magazine Penrice Plus club, taking place every Tuesday this term.
