HOME VISITS POLICY

Review Date: July 2019

This policy is designed to protect the safety of all school staff carrying out home visits. Where home visits take place, a risk assessment should be completed in advance. This will identify any concerns about potential risks and appropriate measures to be taken. If specific information is known about families, this should be added to the risk assessment.

Home visits will take place with the school's Attendance Officer, and will last up to 30-45 minutes. Home visits can only take place when the policy and protocols are fully met. Policy and procedures must be consistently applied.

Home Visits:

All work with pupils and parents should usually be undertaken in the school or setting or other recognised workplace. There are however occasions, in response to an urgent, planned or specific situation or job role, where it is necessary to make one-off or regular home visits.

It is essential that appropriate policies and related risk assessments are in place to safeguard both staff and pupils, who can be more vulnerable in these situations.

A risk assessment should be undertaken prior to any planned home visit taking place. The assessment should include an evaluation of any known factors regarding the pupil, parents/carers and any others living in the household. Consideration should be given to any circumstances which might render the staff member becoming more vulnerable to an allegation being made e.g. hostility, child protection concerns, complaints or grievances. Specific thought should be given to visits outside of 'office hours' or in remote or secluded locations. Following the assessment, appropriate risk management measures should be put in place, before the visit is undertaken. In the unlikely event that little or no information is available, visits should not be made alone.

This means that staff should:

- *agree the purpose for any home visit with their manager*
- *ensure Safeguarding Team have been contacted and have agreed to the visit*
- *adhere to agreed risk management strategies*
- *avoid unannounced visits wherever possible*
- *ensure there is visual access and/or an open door in one to one situations*
- *always make detailed records including times of arrival and departure*
- *ensure any behaviour or situation which gives rise to concern is discussed with their manager*

This means that education settings should:

- *ensure that they have home visit and working alone policies which all adults are made aware of. These should include arrangements for risk assessment and management*
- *ensure that all visits are justified and recorded*
- *ensure that staff are not exposed to unacceptable risk*
- *make clear to staff that, other than in an emergency, they should not enter a home if the parent/carer is absent*
- *ensure that staff have access to a mobile telephone and an emergency contact*

Transporting Pupils:

In certain situations, staff or volunteers may be required or offer to transport pupils as part of their work. As for any other activity undertaken at work, the employer has a duty to carry out a risk assessment covering the health and safety of their staff and to manage any known risks.

Staff should not offer lifts to pupils unless the need for this has been agreed by a manager. A designated member of staff should be appointed to plan and provide oversight of all transport arrangements and respond to any concerns that may arise.

Wherever possible and practicable it is advisable that transport is undertaken other than in private vehicles and with at least one adult additional to the driver acting as an escort.

It is a legal requirement that all passengers wear seatbelts and the driver should ensure that they do so. They should also be aware of and adhere to current legislation regarding the use of car seats for younger children.

This means that staff should:

- *plan and agree arrangements with all parties in advance*
- *respond sensitively and flexibly where any concerns arise*
- *take into account any specific or additional needs of the pupil*
- *have an appropriate licence/permit for the vehicle*
- *ensure they are fit to drive and free from any drugs, alcohol or medicine which is likely to impair judgement and/ or ability to drive*
- *ensure that if they need to be alone with a pupil this is for the minimum time*
- *be aware that the safety and welfare of the pupil is their responsibility until this is safely passed over to a parent/carer*
- *report the nature of the journey, the route and expected time of arrival in accordance with agreed procedures*
- *ensure that their behaviour and all arrangements ensure vehicle, passenger and driver safety. This includes having proper and appropriate business insurance for the type of vehicle being driven*
- *ensure that any impromptu or emergency arrangements of lifts are recorded and can be justified*
