Activities Week Barton Hall

More Info: Mr Golding

Our Barton Hall trip provides new and exciting challenges, with a focus on having fun.

There is a physical element to the activities, but you do not have to be a sporting superstar. You will, however, want to be the sort of person who is willing to have a go at things and be happy to occasionally get a little wet or muddy!

Set in a beautiful location in Devon, activities will include canoeing, climbing, archery, high ropes, abseiling, raft building, sailing and relaxing in the heated outdoor pool.

This price is based on 40 students. There may be a £30-45 supplement depending on the number of students signed up

PARIS

£100 non refundable deposit

£550

Our 5 day trip to Paris offers a variety of experiences to introduce you to French culture and ensure you have a brilliant time in the French capital.

We will be staying in a former chateau set within impressive grounds, with its own outdoor heated pool and great facilities just outside Paris. Our visit gives you the opportunity to browse and buy souvenirs at a typical French market in an historic market town and visit a magnificent 18th century palace which was the inspiration for Versailles.

Experience the rides, characters and atmosphere with your friends during a day at Disneyland, Paris. You will have the opportunity to climb part of the way up the Eiffel Tower to appreciate the fabulous views over Paris, take a relaxing boat trip down the Seine with commentary on all the well-known sights along the river. Tour the famous Paris landmarks by coach and visit the historic artists quarter in Montmartre where you could have your portrait drawn and also a chance to do some shopping at an enormous French hypermarket. Every evening you will take part in fun activities with your friends around the grounds of the chateau. These include making crêpes, disco, karaoke, messy team competitions, football, climbing wall, tennis, treasure hunts and more.

The whole experience creates a wonderful and unforgettable memory of your time at Penrice.

French Adventure

Les Orres

More Info: Mr Round

£700*

£100 non refundable deposit

With sole occupancy of Hotel La Portette perched high in the French Alps as our base, this really is the ultimate adventure trip.

Take on the white water rafting experience, with two hours of heart-pounding rapids. You'll try climbing and abseiling in the magnificent mountains, with stunning views, open rock faces and heart stopping drops.

Mountain Biking comes in two levels; a cycle through woodland and mountain tracks with beautiful scenery or for the more confident bikers amongst you, a three and a half hour descent. Visit the Aqua Park and tackle the 8 metre inflatable iceberg and launch your friend off the giant blob! We scale the mountain to 'La Zeneth' using a series of chair-lifts, then hike down. Try Via Ferrata, where you move across the rock face using a series of giant staples, ladders and wires.

Do you have what it takes to beat the Jungle Challenge? A high ropes obstacle course, like Go Ape but much, much bigger! If this hasn't exhausted you, we also squeeze in a visit to the local town, go swimming and have a BBQ.

If you're looking for a challenge and adventure, this is it!

This price is based on 40 students. There may be a £30-45 supplement depending on the number of students signed up

An amazing opportunity to visit a beautiful part of Spain and enjoy the culture of the country as well as explore some of its best attractions.

To begin the trip we will let our hair down with a full day at one of Spain's biggest and most exciting theme parks, PortAventura. Next for a bit of culture as we head in to the heart of Barcelona, where you will have the opportunity to explore the iconic Las Ramblas, try out your Spanish speaking skills and buy traditional Spanish delicacies in the Mercat de la Boqueria before enjoying a picnic lunch overlooking the city at Montjuic. Topped off by a visit to Gaudi's stunning Sagrada Familia.

Towards the middle of the week, you will have the chance to explore the picturesque coastal resort in which our hotel is situated, take a boat trip along the rugged coastline and have a picnic on the beach, before heading back to Tossa to enjoy some traditional chocolate con churros.

On Day five we head back to Barcelona to visit el Poble Espanyol, the Olympic Stadium and the Dancing Fountains, rounded off with an evening of entertainment at a Flamenco performance.

To conclude the trip we will visit Water World for another day of fun packed activities before returning to the UK. ¡Qué emoción!
