

March 2020

Dear Parent/Carer

Coronavirus Update

I am writing to you to give you an update on our precautions and preparations in light of the Coronavirus.

Precautions

At Penrice Academy the care and welfare of our students and staff is our number one priority, and as such we are following all advice and guidance from Public Health England. We have already introduced hand sanitising stations across the school, specifically in the school canteen, reception and in all of our computer rooms to enable regular hand washing at key times throughout the day.

Preparations

Penrice Academy will remain fully open to all students until such a time as Public Health England announce mandatory school closures, or advise us we should close due to a confirmed case of Coronavirus.

In the event of a school closure, as far as possible learning will continue as usual. Work for each timetabled lesson will be set and submitted via **Show My Homework**. Students will also be supplied with a pack containing paper and a pen so work can be completed at home by all.

Show My Homework can be accessed via any digital device including smart phone, ipad or home computer, as parents/carers you will be able to see all work set via your Show My Homework login.

If your child would not be able to access Show My Homework from home please let us know.

For further information about the Coronavirus in an educational setting please follow this link-
