

# Available Testing Routes

## Test sites

---

You should be **aware of test sites** near to your school/FE provider in order to advise staff, pupils and parents/carers. These test site types are:

- **Remote test sites** - these are drive-in only;
- **Local test sites** - these are walk-in;
- **Mobile test units** - these are mobile and move around every few days so you may notice addresses change.

The test sites are generally open seven days a week from **8am to 8pm**.

## Home Test Kit

---

People can order a home test kit for themselves and up to three members of their household.

These kits will be posted to the address given, and are returned via a Royal Mail priority mailbox. They are the same test kit that we are sending to schools/FE providers.

You can find your nearest priority box via this link (please tick the priority box):
