Dear Parent/Carer

Return to School
Year 9 Student Testing – COVID-19

Due to the recent announcement that all schools will be re-opening fully on 8th March and our decision to stagger the start in order for adequate testing to take place for all staff and students, we would now like to invite students in to be tested three times for COVID-19 prior to returning to school.

Testing will be carried out at the Academy using a lateral flow device test kit and will begin for **Year 9** students on Friday 5th March, with the second test on Tuesday 9th March and the final third test on Friday 12th March. After the third test, the students will be given a home testing kit to administer twice a week at home.

We do require your consent in order to begin testing. Please therefore click on this link [COVID Testing Student Consent Form - Yr 9](#) in order to record whether you provide your consent or chose for your child not to be tested. Consent forms need to be completed before Monday 1st March. We encourage every student to be tested, but it is not compulsory. Further information on the testing is provided on our school website in the [Testing Section](#) and students can watch our accompanying video here [Penrice Academy Testing](#).

Students will be tested in tutor groups during the allocated tutor group time, as noted below. When bringing your child in for testing, please remain in your car in the car park. Students will be no longer than 15 minutes and need to maintain a 2-metre social distance at all times and wear a mask. School uniform is not required for Year 9 students until their return on Monday 15th March.
