

28 May 2021

Dear Parents/Carers,

As we reach the final day for our Year 11 students, we would like to take this opportunity to say a massive **'Thank You'** for the incredible support you have provided to your child and to the school as we have navigated our way through this unprecedented year. Without you, our jobs would have become close to impossible.

I hope that your child and the whole of the Class of 2021 have felt well supported through the process and I would like to remind you that we are still here to support if there are any concerns in particular in regards to college applications or college courses.

After half term, we will be providing students with optional online work to support their preparations for college. Further details will be available via our school website after the half term break.

Results Day 2021 will be on Thursday 12 August. On this day, students will be able to come in and collect results from 10.15am. (Providing government restrictions remain as they are now).

Parents will be able to wait outside if they wish to accompany students to collect results. If your child is unable to collect results in person, please email cdent@penrice.org.uk to arrange for results to be emailed, posted or collected by a nominated person.

On behalf of all of us at Penrice, I wish every member of the Class of 2021 all the very best as they embark on the next stage of their lives, and I hope that college and future studies go well. We look forward to hearing about all the amazing things they get up to and hope to see them again as they inspire the next generation of Penrice students.

All the very best.
