

16 July 2021

Dear Parents/Carers

What a fantastic year it has been, topped off this week with a spectacular sports day and the excitement growing around CEW and Work Experience next week.

As we look ahead to next year, as a school our vision is simple: Together we are Proud, Respectful and Successful.

Our students are **proud** to be part of this community. They take pride in how they present and conduct themselves, and in the quality of work they produce. Our staff take pride in their work with students to develop them both academically and socially.

We are **respectful** of each other and our beliefs, allowing individuals to grow into their own unique self without fear of prejudice.

Finally, students at Penrice are able to feel **successful** every day, not just through the outstanding academic results they achieve, but through small wins each time progress is made or an obstacle is overcome, knowing that being the best version of themselves is the ultimate quest and the only expectation we have.

You will see Pride, Respect and Success featuring prominently when we return in September, helping us to maintain high standards and expectations in everything we do.

Year 10 Work Experience

Words by Richard Cardigan – Vice Principal

We are delighted as a school to have so many of our Year 10 students out on placements next week, but also to provide those not actually in the work place with a fantastic online programme, which has been supported by the Educational business partnership.

For students out on placements, please remember a face covering and that you're representing the Academy.

For all students working online, the week has now all been uploaded onto *show my homework*. This is also for students on part placements or that have reduced hours. The attendance online will be monitored.

Students on the *Mission to Mars* experience need to check their emails for their joining instructions.

To all students - please remember to test on Sunday and Wednesday and have a brilliant time.

All the very best and make the most of whatever experience you have lined up.

Find Your Future

Video: Year 10 Post PPE Reports

At the same time that we have been reflecting, now is a time for your child to reflect on their achievements over the past 12 months. This week, all Year 10 students were issued with their PPE results; a good yardstick for predicted GCSE results.

Mr Toms has created a video presentation to guide you through your child's Post PPE Report, helping you to make sense of all of the data on display: <https://youtu.be/aENdFPF-YVg>

Finally a huge heartfelt thank you for all of your support during a year that has been like no other!

Have a lovely summer holiday.

Kind regards

Lucy Gambier
