

16 July 2021

Dear Parents/Carers

What a fantastic year it has been, topped off this week with a spectacular sports day and the excitement growing around CEW and Work Experience next week.

As we look ahead to next year, as a school our vision is simple: Together we are Proud, Respectful and Successful.

Our students are **proud** to be part of this community. They take pride in how they present and conduct themselves, and in the quality of work they produce. Our staff take pride in their work with students to develop them both academically and socially.

We are **respectful** of each other and our beliefs, allowing individuals to grow into their own unique self without fear of prejudice.

Finally, students at Penrice are able to feel **successful** every day, not just through the outstanding academic results they achieve, but through small wins each time progress is made or an obstacle is overcome, knowing that being the best version of themselves is the ultimate quest and the only expectation we have.

You will see Pride, Respect and Success featuring prominently when we return in September, helping us to maintain high standards and expectations in everything we do.

Curriculum Enrichment Week – Important Reminders

Words by Richard Cardigan – Vice Principal

We are delighted that so many students will experience a fantastic week during next week. We hope they are as excited as the staff! Just some final reminders.....

- Students need to carry face coverings for coach transport to activities.
- Students need to test on Sunday and Wednesday as usual.
- On Monday morning they will need to go straight to their allocated activity registration room by 8.30am - details attached at the bottom of this letter after signature.
- Any final questions should be directed to the trip leader - also shown on the attachment.
- If there are any outstanding payments to be made, please ensure this is done before Monday to avoid any disappointments.

Find Your Future

Pride

Respect

Success

- If your child is going off site they must have returned their consent form to the school reception or their trip leader.
- Please remember a packed lunch - those who receive a free school lunch will have these provided.
- Students will need lots of water and sun cream - the weather looks set to be glorious all week!
- Please be aware that the car park in the morning will be exceptionally busy with coaches arriving to transport students to activities. Where possible, please find an alternative drop off location.

We hope all students have a brilliant week; they all deserve it after a very challenging 18 months. Go and have fun, but please remember to always represent the academy in the appropriate way.

Video: Year 8 and 9 Reports

At the same time that we have been reflecting, now is a time to reflect on your child's achievements over the past 12 months. Today, all Year 8 and 9 students were issued with reports which will help you track your child's progress.

There is lots of data on display in these reports so Mr Parry has put together a useful video explaining everything you need to know:

Penrice Plus Next Week and Moving Forward

Words by Aaron Marks – Head of Sport

We have some big plans for Penrice Plus next year! Students have been selecting their activity for the first term in form groups, and will have a taster session on Friday 3 of September before clubs start on Wednesday 8 September. We have based all of our clubs around the students' feedback so there will be a club for everyone to attend each week!

With Curriculum Enrichment Club running next week, we will have no Penrice Plus running after school.

Finally a huge heartfelt thank you for all of your support during a year that has been like no other!

Have a lovely summer holiday.

Kind regards,

Lucy Gambier
