

MR JOHNSON'S SUMMER EXPERIENCES CHALLENGE

MR JOHNSON - HEAD OF YEAR 7

“ YOUR SUMMER OF ENRICHMENT STARTS HERE

When studying subjects at secondary school, having a range of experiences can be incredibly enriching to aid, develop and deepen your understanding of what you study. Penrice Academy have therefore put together a range of 'challenges' that we think you should try and experience this summer.

THE CHALLENGE

We will require you to create your own reflective journal or scrapbook and write a minimum of one paragraph about each experience. This paragraph then needs to be signed and dated by a parent or carer and you should also attach photographic evidence (where possible) of you completing the challenge.

Scrapbooks and journals will be due when you come back after the summer break. In addition to reward badges, there will be prizes for the best projects!
