

September 2023

Dear Parent/Carer

Open Evening – Tuesday 3 October 2023 – Early Finish for Students

We are holding our annual Open Evening on **Tuesday 3 October**, where we invite prospective students and families into the Academy to see some of our extraordinary practice and sample secondary school lessons.

The **school day will finish early at 1pm**. If your child catches a Roselyn bus, these will run as normal at the earlier time of 1pm. If your child catches a service bus, they will need to catch an earlier bus home or they are welcome to remain in school, where they will be supervised and can complete any homework, until the normal finish time of 3pm. The Summercourt travel bus will run at the normal time of 3pm, students can either remain in school until then or find alternative transport home.

Lots of our current students will support the evening, taking leadership roles in subject areas or running tours. Students supporting at the evening will be directed by the subject team they are supporting as to whether they should remain in school at 1pm or whether they can leave and return for the start of the evening. If your child is interested in supporting a particular subject area, they should speak to teachers of that subject. They will then receive a separate letter about this, which will include a consent form to return.

Year 11 student leaders will be involved in leading tours and organising events during the evening. Again, a separate letter will be issued explaining more details, including a consent form to return.

If you have any questions about the arrangements for the day, please do not hesitate to contact Reception or email enquiries@penrice.org.uk

Yours sincerely

Lucy Gambier
