

5 December 2023

Dear Parent/Carer,

As we approach the festive season, we would like to express our appreciation for the excellent attendance we have witnessed throughout the year. Your commitment to your child's education has not gone unnoticed, and we are grateful for your ongoing support.

We acknowledge that this time is traditionally associated with a decline in attendance. We understand the significance of spending quality time with family during the holidays and recognise the importance of this.

We would like to remind you that we have scheduled a well-deserved three-week holiday for students, providing ample opportunity to enjoy time together.

However, before we reach this festive break, we kindly request your cooperation in maintaining the exceptional attendance levels we have achieved so far this year. Consistent attendance is crucial for your child's academic progress and overall development. Each school day plays a vital role in their educational journey, and your active involvement ensures they receive the best possible foundation.

In recognition and celebration of the fantastic attendance across all year groups, starting now and until the end of term, we will be raffling chocolate selection boxes! Last week, our focus was for students present in school on 1st December. Thereafter, our raffles will focus on students with 100% attendance for the week of 4th December to 8th December 2023 and a further draw for students with 100% for the week of 11th December to 15th December 2023.

Let's work together to make these weeks leading up to Christmas productive and enriching for our students. Your continued commitment to their education is truly appreciated.

Thank you for your understanding, cooperation and continued support.

Yours faithfully

Carl Foster
Deputy Headteacher
